

IN THE BEGINNING GOD CREATED

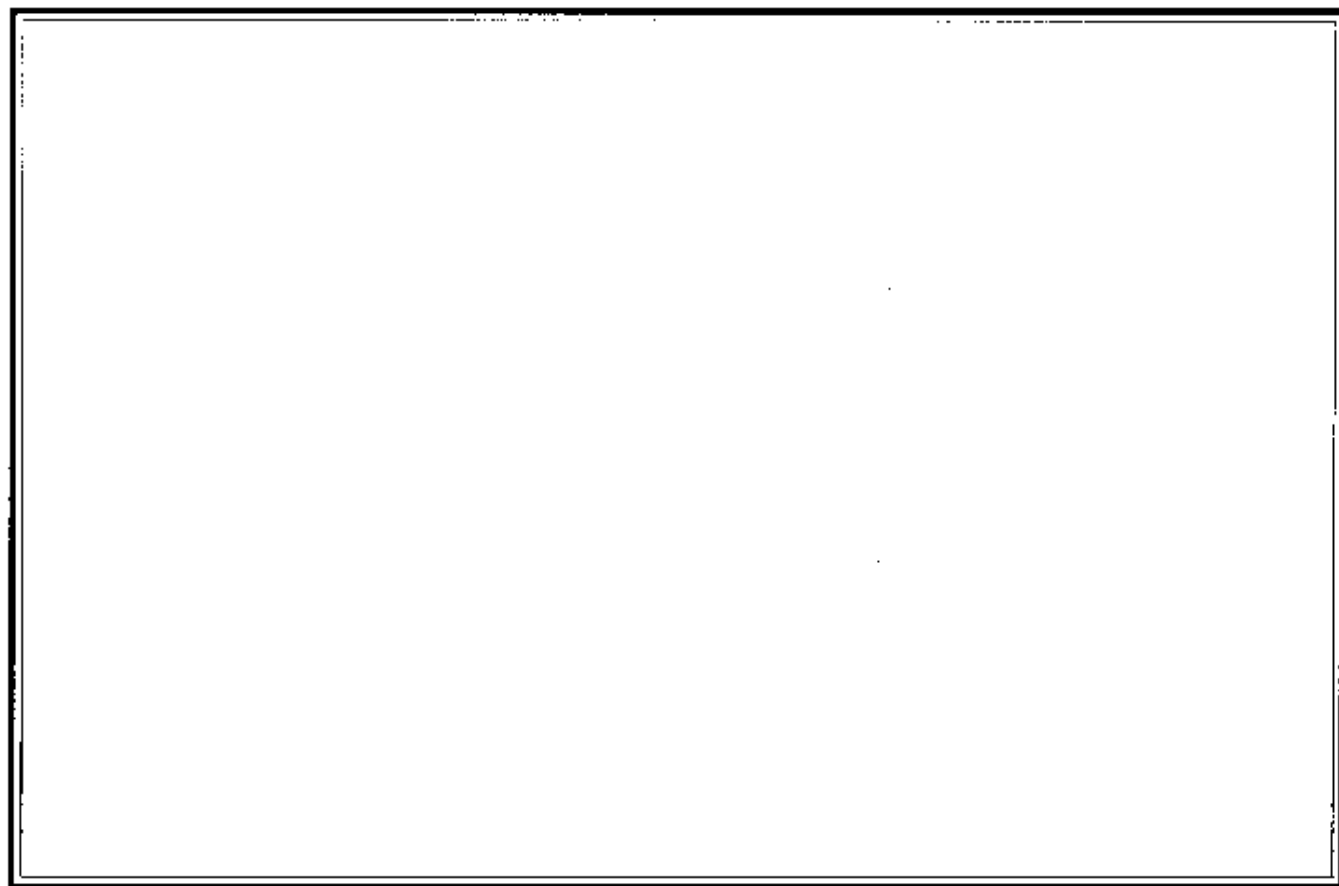

Can you remember what God made on each day of creation?

DAY 1 _____
DAY 2 _____
DAY 3 _____

DAY 4 _____
DAY 5 _____
DAY 6 _____

(See answers at bottom of page.)

Did you remember that on day six God made all the land animals (those that creep on the earth)? Dinosaurs walked on the land, so they would have been among the animals created on day six. Dinosaurs and man lived together!

Color the Garden of Eden beautifully, because God said it was VERY good! What color were dinosaurs? The fossil bones don't tell us. Use your artistic imagination to color them. Sometimes we are told that dinosaurs died out millions of years before man came along, but the Bible tells us there was no death in the world until Adam and Eve sinned. No dinosaurs could have died until after sin came into the world!
